ENGAGING FAMILIES IN RECOVERY

A ten-week education and support program designed for individuals who are caring for a loved one with mental illness

Program dates and location:

September 25th to November 27th, 2019
March 25th to May 27th, 2020
6:30 to 8:30 p.m.
St. Joseph's Community Health Centre

ABOUT THE PROGRAM

Engaging Families in Recovery is a ten-week education and support program designed to help people who are caring for a loved one with mental illness.

A trained facilitator and other mental health professionals discuss potential difficulties related to having a loved one with a mental illness including navigating resources, boundaries, effective communication, and self-care.

The aim of *Engaging Families in Recovery* is to offer assistance and support, as well as, encouragement in a safe and relaxed atmosphere.

This program does not replace counselling or therapy. **Confidentiality and privacy of sharing within the group is strongly promoted.**

There is no cost to attend this program. Seating is limited.

Advanced registration required.
Please contact us at
(506) 455-5231

The program will be held every Wednesday evening from 6:30 to 8:30 p.m. at St. Joseph's Community Health Centre.

If you or someone you know is experiencing symptoms of a mental illness, please contact your family doctor or Addiction and Mental Health Services.

WEEKLY AGENDA

I. Understand - Mental Health / Illness

An introduction to the goals of *Engaging Families in Recovery*. An overview of mental health, mental illness, and the community-based resource model.

II. Navigate - Resources and Systems

Information on the process of reaching out for help, the law, community resources and services, overcoming challenges, and navigating the system.

III. Relate - Relationships and Boundaries

Information on healthy relationships, boundaries, your rights as a caregiver, including the Caregivers' Bill of Rights.

IV. Communicate - Effectively and Impactfully

Focuses on important elements of communication, communication styles, how to effectively communicate, as well as, overcoming negative thinking patterns, and dealing with difficult behaviours.

V. Recover - Understanding Recovery

Focuses on the stages of recovery and moving through change. In addition, there is a guest presentation from a Peer Support Worker.

VI. Open Discussion Session

Group members have the opportunity to discuss what they have learned thus far and review previous material.

VII. Collaborate - Towards Recovery

Information on how to support your loved one's recovery, maintenance of their recovery, information on disclosure, confidentiality, and being an effective advocate. Lastly, an introduction to self-care is covered.

VIII. Self-Care - Caring for the Caregiver

Explores the common feelings individuals have about caregiving, burnout, compassion fatigue, and vicarious trauma. Information on the impact of self-care, and barriers to self-care. Group members develop a self-care plan and learn about developing self-compassion.

IX. Explore - Building Caregiver Support

Information on acceptance, commitment, stigma, negative family and friends, and building a support network.

X. Plan - For the Future

Focuses on the importance of social connections and staying positive. Review tools and resources from program.
